

**1.3.1. Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, Human Values into the Curriculum.**

MLR institute of technology is committed to provide a dynamic curriculum which is sensitive to the needs of the stakeholders and societal demands. The syllabus and the curriculum cater to the local, national and global needs and they are aimed at not only rendering the students as empowered graduates but value loaded citizens who serve the country. In this direction the syllabus and curriculum subtly integrate the cross cutting issues like Gender, Ethics, Values, Professionalism, socialization skills, concern for the environment and ecology and its sustainability besides the human values as enunciated by the country and the global entities like UNSDG. The syllabus and curriculum of all the programs have these elements subtly integrated in them.
