

### 1.3.3 Percentage of students undertaking field projects/Research projects/ internships / student projects.

MLR institute of Technology emphasizes imparting lifelong learning among the students through projects and internships. At MLRIT the students are encouraged to carry out the internships in semester break. In MLR 18 Regulation onwards, internships are included in the curriculum. The students must undergo an internship during their fifth semester break. All the students must carry out their field /Research projects to fulfill the academic requirement. Apart from these, interested students of 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> year can opt for micro projects and carry out their project.
