

2.3.2 <i>The institution adopts effective Mentor-Mentee Schemes to address academics and student-psychological issues (QIM)</i>	<b>Weightage</b> <b>10</b>
---	-------------------------------

**Response: 20:1**

MLR institute of technology provides better mentoring strategies to the students to achieve their goals. Except Principal, Deans, HoD's all other faculties get the allocation of mentees. Continuous mentoring is provided by our mentors throughout their program. In addition based on the requirements more mentoring will be provided to the identified students. All mentoring information will be maintained as confidential. Mentors also recommend mentees to the Counselling Cell based on the requirement.
