1. PURPOSE:

MLR Institute of Technology was established in the year 2005 by KMR Educational Society affiliated to JNTUH has been granted Autonomous status by UGC in the academic year 2015-16. As part of its aspiration to develop into an institution that exhibits quality in teaching and examination system, the institute strives to implement credible and reliable evaluation system. The institute believes that examination and evaluation policy is an integral part of learning process during the progression of a course. A variety of assessment methods will be used in the examination and evaluation process for students of UG (Under Graduation) and PG (Post Graduation) programmes. This Policy Document would provide the framework for the examination systems and procedure for the students and it is conjunction with the Assessment Policy, Curriculum Design and Approvals Policy, Curriculum Approval Procedures, Student Code of Conduct and Student Misconduct Rule.

2. SCOPE:

The autonomy is conferred on MLR Institute of Technology by UGC, based on its performance as well as future commitment and competency to impart quality education. The Examination is to assess the breadth and depth of the student's knowledge and critical analysis of major areas in the information field. The Examination Cell of MLR Institute of Technology is a confidential wing with superior responsibility for conducting internal examinations, external examinations, evaluation, publication of the results and to maintain the records of all the students through automation and customization.

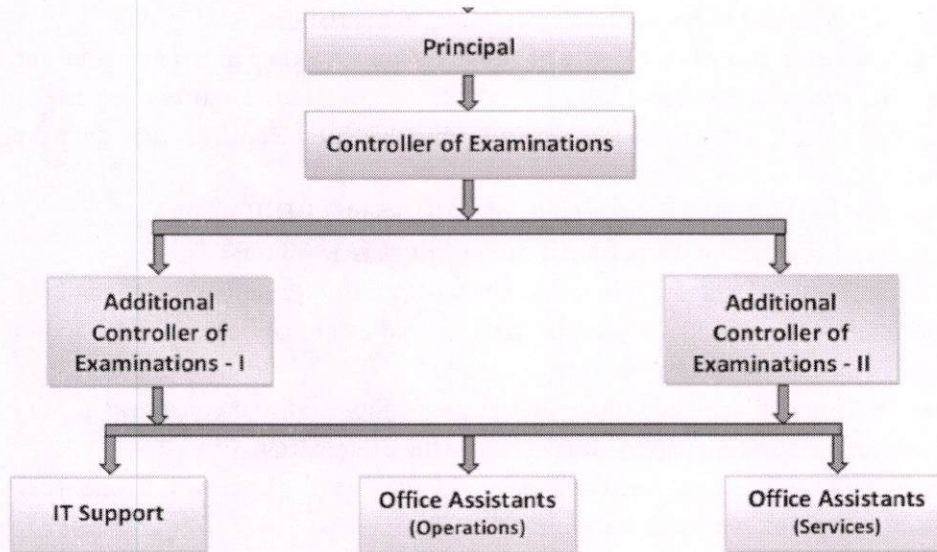

3. POLICY STATEMENT

Exams help every teacher to understand the mental capacity of the students and to rectify their shortcomings. The Examination cell conducts Examinations to Moderate and validate the student's assessment performance. Assess the extent to which the student has achieved learning outcomes being assessed.

4. RESPONSIBILITIES & IMPLEMENTATION METHOD

The exam evaluates the student's ability of learning. It is an effective way to analyze the knowledge of students. It is a measurement of how much they learn and constraint in the study. The Organization Structure for Examination Section as follows.
