

2.6.1	The institution has stated learning outcomes (programme and course outcome)/graduate attributes which are integrated into the assessment process and widely publicized through the website and other documents and the attainment of the same are evaluated by the institution.
-------	---

The Program Outcomes (PO's), Program Specific Outcomes (PSO's) and Course Outcomes (CO's) are communicated to all stake holders by displaying at various locations as listed below.

- College website
- HODs and Faculty rooms
- Notice Boards of Departments
- Class rooms
- Student lab records
- Syllabus books
- Library
- Parent meeting
- Faculty meeting
- Alumni meeting
- Professional body meeting

The HODs along with the faculty members, class teachers, mentors, course coordinators provide information to students, raise awareness and emphasize on the need to attain the aforementioned outcomes.

CO and PO attainment:

Course outcomes are defined for all the courses offered by the institute. Head of the Department and subject experts, of the individual departments will discuss the same and approve it after endorsement by the Principal. The defined course outcomes are mapped to the program outcomes (POs) and program specific outcomes (PSOs) which are used for the measurement of POs and PSOs achieved or not. MLRIT endorsed both direct and indirect assessment for CO, PO and PSO attainment. The direct assessment method is based on the average of student's performance in mid examinations, assignments, end semester examinations and project evaluation.

PRINCIPAL

Indirect method is based on the following surveys at the end of each semester

- Alumni Survey
- Exit Survey
- Employer Survey
