Name of the Event: Blood Donations

Date of event: 22/09/2021

No of Participants: 6

NSS volunteers have donated 4 units of blood to a 3 year old boy in emergency who is undergoing acute liver failure treatment at Rainbow hospitals Banjara hills. Later we came to know that treatment was successful and the baby was out of danger.

The poster features a purple background with the MLRIT logo at the top left and the NSS logo at the top right. The title 'MLRIT Blood Donation Forum' is centered in yellow. Below the title are four circular photographs of students donating blood. Each photo is accompanied by the student's name and year. At the bottom, there is a text block appreciating the students and the NSS Unit logo.

Engg students mentor schoolchildren

SPECIAL CORRESPONDENT
HYDRABAD

A science fair organised exclusively for government schoolchildren brought out their innate talents and showed that their abilities are no less than their peers in private schools.

The fair organised at Government High School, Kukatpally, is one of the three fairs being organised this week and will culminate into a mega final at the Institute of Aeronautical Engineering (IARE), Dundigal, on December 6.

Inaugurating the science fair at Kukatpally Government High School, TRS leader and secretary of the Marri

A science fair was organised at Government High School in Kukatpally on Thursday. *ARRANGEMENT

Lakshman Reddy Institute of Technology (MLRIT) Marri Rajashekhar Reddy said that the MLRIT group was sponsoring the entire festival to give an opportunity to government school students to

showcase their talents.

He said it was important for these children to get back into the academic groove after the closure of schools for almost two years due to the pandemic.

The MLRIT and IARE students pursuing engineering are acting as mentors for these schoolchildren and instil confidence among them to compete. He said prizes worth a few lakhs will be given to winners in various categories. About 1,080 teams from 120 government schools in Medchal-Malkajgiri district are participating.

District Educational Officer NSS Prasad said that engineering students mentoring school students was a new concept and served both the groups well. IARE vice principal Shobha Rani, founder of Bioinfotech Pavan Kella and school principal C. Narendar Reddy were present.

Engg students mentor schoolchildren

SPECIAL CORRESPONDENT

HUCBIBAD

A science fair organised exclusively for government schoolchildren brought out their innate talents and showed that their abilities are no less than their peers in private schools.

The fair organised at Government High School, Kukatpally, is one of the three fairs being organised this week and will culminate into a mega final at the Institute of Aeronautical Engineering (IARE), Dundigal, on December 6.

Inaugurating the science fair at Kukatpally Government High School, TRS leader and secretary of the Marri

A science fair was organised at Government High School in Kukatpally on Thursday. *ARRANGEMENT

Lakshman Reddy Institute of Technology (MLRIT) Marri Rajashekhar Reddy said that the MLRIT group was sponsoring the entire festival to give an opportunity to government school students to

showcase their talents.

He said it was important for these children to get back into the academic groove after the closure of schools for almost two years due to the pandemic.

The MLRIT and IARE students pursuing engineering are acting as mentors for these schoolchildren and instill confidence among them to compete. He said prizes worth a few lakhs will be given to winners in various categories. About 1,080 teams from 120 government schools in Medchal-Malkajgiri district are participating.

District Educational Officer NSS Prasad said that engineering students mentoring school students was a new concept and served both the groups well. IARE vice principal Shobha Rani, founder of Bioinfotech Pavan Kella and school principal C. Narendar Reddy were present.

Name of the Event: Health check up for auto drivers

Date of event: 27/02/2022

No of Participants: 100

As a part of road safety awareness programs, MLR Institute of Technology has taken an initiative to conduct health check up for auto drivers and road safety awareness program.

MLR Institute of Technology Secretary Sri Marri Rajashekar Reddy garu attended to this event as chief guest along with Road safety TraX NGO Sri Adishanker garu, Arundathi hospital Dean Dr Uday Kumar and NSS Program Officer Mr Nayani Uday Ranjan Goud.

Marri Rajashekar Reddy garu requested the auto drivers to follow all the traffic rules. He also said, Road safety awareness is a very important program, especially for auto drivers as they always deal with the public for transportation. In this regard, health of auto drivers is very important; therefore as social cause we have organized this awareness program and health check up for auto drivers. He also suggested all auto drivers to go for a health check up frequently.

Name of the Event: Village survey and Community Engagement

Date of event: 04/03/2022

No of Participants:

45 students of MLR Institute of Technology went for a one day visit to adopted village Srirangavaram on 04/03/2022. All these 45 students were divided into 7 groups and are given instructions to conduct a complete village level survey on sanitation & hygiene, water management & resources, waste management, energy management, greenery, transport facilities, medical facilities, drainage and bus facilities. Before going to the village, all the teams are given task to draw a model village by including all above mentioned facilities and greenery having a idea of what they are thinking and after they visit the village, they can see actual conditions in village. After reaching the village, we have all met village sarpanch garu, anganvadi teachers, High school Head master and teachers and visited local primary health centre and spoke with them about the above mentioned parameters availability and requirements. All the 7 groups are guided to go around the streets to do a complete village survey on sustainable development parameters. After the survey, all groups are asked to draw a village map in which they have surveyed and all such maps have been combined to draw a complete village map.

The students were then assembled in a hall and are asked to share their experiences about the village survey. All of them have given their views on the developments that are happened in the village and also they have given some areas in which people are facing problems. We have discussed those issues with the village sarpanch garu and also we have told to help them in showing possible solutions to few problems which the villagers are encountering.

Distribution to the parents and children.

Date of event: 17/03/2022 to 29/04/2022

No of Participants: 50 volunteers

"RIDE TO SAFETY" CAMPAIGN

MLR Institute of Technology initiated a unique 'Free Helmet Distribution' awareness program to the parents (Riders) and students (pillion riders) in government high schools and aided schools in collaboration with TraX NGO, ICICI Lombard and NSS Unit MLRIT. With the support of Head masters or principals, nss volunteers have gathered the data of those parents who actually drops their children in schools by two wheelers.

MLR Institute of Technology secretary Sri Marri rajashekar Reddy garu arrived as Chief Guest and distributed helmets to the parents and children. Our driver was working with us for many years was severely injured in an accident as he was not wearing helmet. He was the sole breadwinner for his family. That incident deeply affected me and prompted me to take up this campaign, Marri Rajshekar Reddy said. He also advised parents to wear helmet for sure and follow all traffic rules. He also reminded that the Telangana government is taking many measures for the road safety, so its the responsibility of every individual to follow traffic rules and both rider and pillion rider should wear helmets.

Marri launches 'Ride to safety' campaign

Marri Rajashekhar Reddy distributing helmets as part of road safety campaign, at a government high school, on Sunday.

CITY BUREAU Hyderabad

Marri Laxman Reddy Institute of Technology (MLRIT) Secretary and TRS party Malkajgiri parliament constituency in-charge, Marri Rajashekhar Reddy, initiated a unique 'Ride to Safety' campaign to raise public awareness about road safety. The MLRIT NSS unit, in collaboration with TRAX NGO and ICICI Lombard General Insurance, organised a helmet drive at various government schools where students and their parents were distributed free helmets. "Our driver

who was working with us for many years was severely injured in an accident as he was not wearing a helmet. He was the sole breadwinner for his family. That incident deeply affected me, prompting me to take-up this campaign," said Rajasekhar Reddy.

Distribution of helmets
He has so far distributed about 2,556 helmets to children and their parents in different government high schools in West Marredpally, Mudford, Trimulgherry, Picket and Secunderabad, and plans to take up the initiative to reach out to more students.

National Service Scheme (NSS)

(Ministry of Youth Affairs and Sports, Govt of India)

Trax NGO project officer Mr. Adishanker said, these helmets are distributing freely to not to keep them in the shelf, but whenever you step out of your house, you must wear helmet. This each helmet is ISI marked helmets and of approximately 1000 rupees worth. That means we are giving 2000 rupees helmets to each parent and child. It is not the price, but it is your life that you have to save and that is what our main concern for distributing these helmets. He also reminded parents about the traffic chalans that traffic police are imposing for not wearing helmets, not wearing helmet belt, pillion rider not wearing helmet and many other traffic rules.

MLR Institute of Technology NSS Program officer Mr Nayani Uday Ranjan Goud played an important role along with NSS volunteers in selecting the schools, in gathering the data of parents and students those who drop their children by two wheelers. After that arranging a program in the selected school by inviting all the guests to create more awareness among parents and children of wearing the importance of helmets.

MLRIT NSS program Officer Mr Nayani Uday Ranjan Goud thanked MLRIT Secretary Sri Marri Rajashekar Reddy garu for taking an initiative of Ride To Safety Campaign and also for involving all the nss volunteers in this great helmet distribution campaign through which even many volunteers learned so many things about road safety guidelines and importance. He also thanked TraX NGO project officer Mr Adishanker garu for encouraging for this Ride To Safety Campaign and ICICI Lombard for sponsoring helmets to the parents and children and the electronic and print media for creating huge awareness through these programs.

A total of 2560 helmets were distributed to the schools including GGHS Trimulgherry, GHS Mudfort, GGHS West Maredpally, David memorial high school picket, Centenary baptist church high school picket, GBHS&GGHS Bowenpally, GHS rasoolpura, Paropakarini balika high school Secunderabad, Holy family high school Trimulgherry, St. Joseph's high school Trimulgherry, Auxilium high school Mahendra hills, Faizan High school Bowenpally, Gandhian high school Picket, GGHS Picket, Vani convent high school and GGHS Kharkhana. MLR Institute of Technology secretary Sri Marri Rajashekar Reddy and Trax NGO Mr Adishanker felicitated NSS Program Officer Mr Nayani Uday Ranjan Goud and his NSS team for their fantastic coordination in making all the helmet distribution programs a grand success.

Name of the Event: Village survey and Community Engagement

Date of event: 04/03/2022

No of Participants:

45 students of MLR Institute of Technology went for a one day visit to adopted village Srirangavaram on 04/03/2022. All these 45 students were divided into 7 groups and are given instructions to conduct a complete village level survey on sanitation & hygiene, water management & resources, waste management, energy management, greenery, transport facilities, medical facilities, drainage and bus facilities. Before going to the village, all the teams are given task to draw a model village by including all above mentioned facilities and greenery having a idea of what they are thinking and after they visit the village, they can see actual conditions in village. After reaching the village, we have all met village sarpanch garu, anganvadi teachers, High school Head master and teachers and visited local primary health centre and spoke with them about the above mentioned parameters availability and requirements. All the 7 groups are guided to go around the streets to do a complete village survey on sustainable development parameters. After the survey, all groups are asked to draw a village map in which they have surveyed and all such maps have been combined to draw a complete village map.

The students were then assembled in a hall and are asked to share their experiences about the village survey. All of them have given their views on the developments that are happened in the village and also they have given some areas in which people are facing problems. We have discussed those issues with the village sarpanch garu and also we have told to help them in showing possible solutions to few problems which the villagers are encountering.

Name of the Event: Reflective stickering for 2,3& 4 wheelers

Date of event: 14/03/2022

No of Participants: 50

As a part of road safety awareness program, MLR Institute of Technology took a new initiative 'Road safety reflective stickerings' for two, three and four wheelers. As we know that every vehicle should have reflective stickers so that vehicle will be clearly visible especially during night times. Therefore, with these reflective stickers, vehicles can easily detectable and accidents can be prevented from rear side. 50 Students have participated in this campaign and pasted reflective stickers to 300 vehicles including bikes, autos, transport vehicles such as auto trolleys, trucks and lorries etc.

Name of the Event: Ride to safety Campaign- Free Helmets

Distribution to the parents and children.

Date of event: 17/03/2022 to 29/04/2022

No of Participants: 50 volunteers

"RIDE TO SAFETY" CAMPAIGN

MLR Institute of Technology initiated a unique 'Free Helmet Distribution' awareness program to the parents (Riders) and students (pillion riders) in government high schools and aided schools in collaboration with TraX NGO, ICICI Lombard and NSS Unit MLRIT. With the support of Head masters or principals, nss volunteers have gathered the data of those parents who actually drops their children in schools by two wheelers.

MLR Institute of Technology secretary Sri Marri rajashekar Reddy garu arrived as Chief Guest and distributed helmets to the parents and children. Our driver was working with us for many years was severely injured in an accident as he was not wearing helmet. He was the sole breadwinner for his family. That incident deeply affected me and prompted me to take up this campaign, Marri Rajshekar Reddy said. He also advised parents to wear helmet for sure and follow all traffic rules. He also reminded that the Telangana government is taking many measures for the road safety, so its the responsibility of every individual to follow traffic rules and both rider and pillion rider should wear helmets.

Marri launches 'Ride to safety' campaign

Marri Rajashekhara Reddy distributing helmets as part of road safety campaign, at a government high school, on Sunday.

CITY BUREAU Hyderabad

Marri Laxman Reddy Institute of Technology (MLRIT) Secretary and TRS party Malkajgiri parliament constituency in-charge, Marri Rajashekhara Reddy, initiated a unique 'Ride to Safety' campaign to raise public awareness about road safety. The MLRIT NSS unit, in collaboration with TRAX NGO and ICICI Lombard General Insurance, organised a helmet drive at various government schools where students and their parents were distributed free helmets. "Our driver

who was working with us for many years was severely injured in an accident as he was not wearing a helmet. He was the sole breadwinner for his family. That incident deeply affected me, prompting me to take-up this campaign," said Rajashekhara Reddy.

Distribution of helmets
He has so far distributed about 2,556 helmets to children and their parents in different government high schools in West Marredpally, Mudford, Trimulgherry, Picket and Secunderabad, and plans to take up the initiative to reach out to more students.

NSS Unit of MLR Institute of Technology organized Eye check for all the students in Government Girls High school Trimulgherry, Government Primary school and Government High school Mudfort in collaboration with Dr Agarwal Eye Hospital.

Due to the covid first and second wave, many students been taught in online classes, due to which some of the students vision may be impaired which they will come to know when they turn 18 years. This has led our NSS Unit to take an initiative to organize Eye Check Up for the students, said MLRIT NSS Program officer Mr Nayani Uday Ranjan Goud.

NSS volunteers of MLR Institute of Technology have actively participated in this campaign for the smooth eye check up for all the students.
