CLAIM

MLR Institute of Technology (MLRIT) has established a dedicated Training and Placement Cell to provide Campus Recruitment Training (CRT) that brings placement opportunities for the students in various MNCs across the globe. The main objective of the CRT is to train the students in improving their skills on Aptitude, Logical Reasoning, Verbal Ability and latest Software Technologies so that they will be able to crack the campus interviews.

In MLRIT, the students are encouraged and motivated for higher education through standard operating procedure (SOP) of Training & Development, Career Guidance and Placement. The Career Guidance Committee invites resource persons to conduct sessions on career prospects and skills required for competitive examinations.

The Career Guidance Committee (CGC) also facilitates awareness programmes to prepare students to appear in competitive exams like GATE (Graduate Aptitude Test in Engineering), GRE (Graduate Record

Examination), TOEFL (Test of English as a Foreign Language), CAT (Common Admission Test), GMAT (Graduate Management Admission Test), IELTS (International English Language Testing System), Central state services, State government examinations, etc.

MLRIT also has best practices like COTS (Concepts oriented Tutorials) and SCOPE (School of Programming Excellence) to improve the core competence of students, which makes them globally competitive. MLRIT has established the Centre for Innovation & Entrepreneurship to support students to generate innovative ideas for start-ups and become entrepreneurs
