### CLAIM

**MLR Institute of Technology (MLRIT)** has taken initiatives for greening the campus

1. **Restricted entry of automobiles:** The institute encourages the staff and students to use the college transport instead of their own vehicles for safety, security, fuel conservation and to reduce environmental pollution. A bar gate is kept at the entrance to avoid the movement of vehicles beyond the parking point.
2. **Use of bicycles/ Battery-powered vehicle:** Students and staff are encouraged to use bicycles/ Battery-powered vehicle within the campus as they are environment friendly and prevents pollution. For this, the management made 20 bicycles and 2 Battery-powered vehicles available in the campus.
3. **Pedestrian-friendly pathways:** The institute has pedestrian friendly pathways for comfortable walking inside the campus. The roads inside the campus are lined with trees and solar lights and are properly maintained.

4. **Ban on use of plastic:** To restrict the use of plastic, the institute has banned single-use plastic items such as plastic bottles, bags, spoons, straws and cups within the campus.
5. **Landscaping:** The institute has a canopy of trees and plants to make the campus pollution free. The lawns and the trees provide shade and beautiful ambience. Utmost care is taken to maintain green landscaping by trained gardeners and supervisors.
